Carey Cannon hired as Chief Operating Officer for Poteet Printing Systems, LLC

Chief Operating Officer role added due to Poteet Printing Systems, LLC's continued growth and success.

CHARLOTTE, NC, November 2018 – Poteet Printing Systems, LLC is delighted to announce that Carey Cannon joined the company as Chief Operating Officer in early October. Carey will support and drive ongoing operational efficiencies as well as improve processes across all aspects of the organization. He is a seasoned leader that brings with him over 20 years of management experience in the manufacturing sector.

“Carey is an incredible addition to the Poteet Printing Systems team. As our growth has continued, the opportunity to add talented and highly skilled professionals means we can continue to expand. Therefore, allowing us to provide and serve our customers with sustained excellence,” says Roger Poteet, co-founder and president of Poteet Printing Systems, LLC. Carey’s expertise in achieving improved productivity, ensuring staff safety, and increasing accuracy will aid in PPS’s soaring success and further growth.

A Navy Veteran from South Carolina, Carey achieved his Bachelors of Science in Business Administration at TUI University and is working toward his Masters of Business Administration from Trident University which is expected this year. He also earned a Lean Six Sigma Green Belt while employed with Stanley, Black & Decker.

Poteet Printing Systems, LLC, is an independent ink and services company, supplying water-based inks and focusing on the flexographic printing industry. Based in Charlotte, NC, they serve 150+ customers in more than 24 states from coast to coast in the packaging and printing industries.
